HELLO

24 YEAR OLD
WITH A DESIRE TO
HELP OTHERS
see social media the way I do,
which helped me enter this field.

I started with tuitions, but
REALIZED that it wasn't my
TRUE CALLING.

+
Social Media

2 reasons why this field has been my passion since day one.

USED MY COLLEGE
DAYS TO LEARN
the ropes of everything related to **SMM** by doing internships.

A LITTLE ABOUT MYSELF

OCTOBER, 2020
I started with tuitions, but after 02 years of teaching, I REALIZED that It wasn't my true calling.

AUGUST, 2022
Landed my first 3-month internship as the SMM (I learned alot)

DECEMBER, 2022
Got my first International client of my own (earned in $$).

JUNE, 2023
Worked with more multiple 4-figure clients.

OCTOBER, 2023
I took on web development internship and joined a software house as a React Js developer.

MARCH, 2024
Started working on Node.js projects and became a full-time MERN Stack Developer. (I love the back-end more)_

MAY, 2024
Added personal branding as a part of my services (handled 03 of my professor's LinkedIn accounts)

JUNE, 2024
Took my personal branding seriously and grew my LinkedIn community from 0 to 3.1K followers in just 6 months!

I KNOW SOCIALS, I KNOW IG, LINKEDIN, TIKTOK, FB.

DON'T SLEEP ON LINKEDIN!

This one post got my professor 27k impressions-which led to more connections and her visibility on LinkedIn.

Personal posts tend to perform best on LinkedIn! This is where my personal branding expertise comes in, and I suggest posting on your personal profile rather than a company page.
